Learn Spanish - Trade JavaScript Expertise

Madrid, Spain • Remote/Online | 1 week ago | 156 views

About This Listing

I'm a native Spanish speaker based in Madrid with 5+ years of teaching experience. I offer personalized Spanish lessons tailored to your learning goals. Whether you're a complete beginner or looking to improve your fluency, I'm here to help!

In exchange, I'd love to learn modern JavaScript and React. I'm building a web project and need help understanding best practices, state management, and component architecture.

Lessons can be done via video call, perfect for flexible scheduling. I'm patient, encouraging, and love helping people learn!
